EXPO HIGHLIGHTS

Biodegradable Expo 2023 (A Great Success Show)

Biodegradable Expo - Biodegradable Expo 2023- A Focus 3-day Trade Exhibition on Biodegradable, Compostable & Sustainable Products, Machinery, Raw Materials & Allied Industries where all the Stake Holders for Biodegradable and Sustainable Packaging Industry could be brought under one roof, was held on 05-07 June 2023 at Pragati Maidan New Delhi (India) concurrently with National Seminar on Compostable Packaging Solutions & Biodegradable Excellence Awards (BEA 2023) Organized by Indian Exhibition Services and Green Society of India on the occasion of World Environment Day 2023.

Biodegradable Expo is business platform to bringing together India and International environment technology and equipment manufacturers, suppliers to showcase the very best of technologies in the areas of environmental protection technology and industry development trends to find out the new business opportunities worldwide. Exhibitors displayed their innovations and technologies to prospective collaborators and policy makers in the expo.

The main aim of the expo was awareness for the environment, use of technology for environment protection, research & development for new environmental protection technology and provides business opportunities to environment technology and equipment manufacturers.

High quality professional industry leaders, industry experts, the enterprise decision makers, Delegates, Central and State Government Departments, Public Sector Units, Private Sector Companies, Municipal Bodies, Development Authorities, environmental protection boards as well as the environmental protection institutions from India and abroad attended the expo and Conference.

With around 1000 environment experts attended the conference and approximately 6000 sq. mt. of Exhibition space, 200 companies participated in the expo and conference and on other hand 10,000 high Caliber Environment & Allied Industry Professionals, Entrepreneurs, Senior officials on the other visited the Show.

Biodegradable Expo: The Ministry of MSME has given financial support to enterprises for showcase product and services, World Environment Conference & Awards was Supported by UN Environment, Ministry of Environment, Forest and Climate Change, Ministry of Earth Sciences, Govt. of India and also supported by trade associations like Griha Council, Material Recycling Association of India, Solar Energy Society of India, National Solar Energy Federation of India, Indian Wind Power Association, Indian Society of Heating Refrigerating & Air Conditioning Engineers.

MESSAGES

SME CHAMBER OF INDIA
Empowering SMEs for Global Competitiveness

MESSAGE

Happy World Environment Day to our dedicated community of environmental protectors!

On this special occasion, let's renew our commitment to safeguarding our precious planet. Each one of us plays a vital role in nurturing and preserving our environment for future generations.

Together, we can make a difference by advocating for sustainable practices, conserving natural resources, and raising awareness about the importance of environmental protection. Let's inspire others to join our cause and work hand in hand towards a cleaner, greener, and healthier world. I suggest the manufacturing and allied industrial sectors to follow the guidelines and instructions of the Government of India to protect the environment, people's health and focus more on growth and solidarity towards expansion of manufacturing activities.

Let us join hands to make environment friendly atmosphere to be healthy and wealthy.

Thank you for your unwavering dedication and passion. Let's continue to strive for a sustainable future for all.

With Warm Regards,

Chandrakant Salunkhe,

Founder & President,
SME Chamber of India

Message from Managing Director, Delhi Metro Rail Corporation

I am very pleased to note that, the 5th edition of the 'World Environment Expo: WEE 2024' is being organized at Greater Noida from the 5th to the 7th of June 2024. This landmark event, which will be inaugurated on the occasion of the International Environment Day on 5th June, will play an important role in spreading awareness about the preservation of the environment as has been done by its previous editions.

This event will have an international exhibition on most crucial aspects of environment management, such as environment protection technologies and equipment, green Innovation, renewable and solar energy, recycling, water and waste management, etc.

DMRC is committed for taking necessary steps for the protection of environment. In each and every aspect of our functioning, we strive to incorporate eco-friendly technologies and work practices. While our trains are completely non-polluting, DMRC is also a pioneer in solar power generation having an installed capacity of about 50 MW.

Therefore, I wish this noble endeavor all the very best and hope that the deliberations in course of this event will pave the way for a more aware and environmentally conscious world. More such initiatives should be taken to ensure a better future for our upcoming generations.

MESSAGE

It is heartening to know that 5th edition of World Environment Expo 2024 (WEE 2024) is being organized jointly by Green Society of India and Indian Exhibition Services with the support of Ministry of Environment, Forest and Climate Change, Government of India and United Nations Environment Program from 5th to 7th June, 2024 at India Expo Centre, Greater Noida.

It is evident that Climate change is causing increased heat, drought, and insect outbreaks. The warming climate has also caused a decline in water supplies, reduced agricultural yields, and triggered heat-related health impacts in cities. Thus, the theme of the WEE 2024 focused on Environment Protection Technology and Equipment, Green Innovation, Renewable & Solar Energy, Recycling, Water & Waste Management and Eco-friendly Products, is of a national and worldwide interest.

The other concurrent events during the WEE 2024 have also been planned very meticulously which will definitely help to bring together Indian and international environmental technology and equipment manufacturers and suppliers, Government and Policy Makers from different disciplines to discuss various issues related to World Environment.

I would like to congratulate all the stakeholders attending this Exhibition & conference. I am sure that the conference will prove to be an enabling platform to present sustainability solutions leading to sustainable tomorrow.

I wish this exhibition a great success.

Dated: 04th June 2024

MESSAGE

I am writing to extend my heartfelt congratulations and best wishes to the organizers of the World Environment Expo 2024. This significant event, to be held from June 5th to 7th, 2024, at the India Expo Centre in Greater Noida, Uttar Pradesh, represents a critical platform for addressing environmental issues and promoting sustainable solutions.

The Green Society of India and Indian Exhibition Services deserve commendation for their dedication and effort in bringing together the World Environment Expo 2024, along with the Biofuel Expo 2024, Biodegradable Expo, World of Recycling Expo 2024, and Greenovation 2024. These concurrent expos demonstrate a holistic approach to tackling the multifaceted environmental challenges we face today.

The objectives of the World Environment Expo also align with the mission of the Physical Education Foundation of India (PEFI). At PEFI, we are dedicated to promoting physical education and the holistic well-being of individuals. We understand that environmental health is intrinsically linked to human health and well-being. A clean and sustainable environment is essential for the physical health of billions of people and the future of our coming generations.

PEFI is committed to supporting initiatives that foster environmental sustainability. Our programs aim to educate and empower individuals, particularly the youth, to adopt healthier lifestyles and become responsible stewards of the environment. We believe that an active lifestyle, combined with an understanding of environmental responsibility, is crucial for the well-being of our society.

The World Environment Expo 2024 serves as a vital platform for innovation, discussion, and action towards a sustainable future. We are proud to support this initiative and are confident that it will have a profound impact on raising awareness and driving positive environmental change.

Once again, I extend my best wishes for the success of the World Environment Expo 2024. May this event inspire and catalyze meaningful action towards a healthier and more sustainable world.

Best regards,

Piyush Jain

Celebrating World Environment Day

INDIA'S BIGGEST EVENT ON SUSTAINABILITY DEVELOPMENT

With rising greenhouse gas emissions, climate change is occurring at rates much faster than anticipated. It requires raising ambition, covering entire economies and moving towards climate-resilient development, while outlining a clear path to achieve net-zero emissions.

Indian Exhibition Services and Green Society of India is organizing World Environment Expo (WEE 2024) - the 5th International exhibition on pollution control equipment & technology (air, water, noise); renewable energy; solar panels & solar products; cleaning & sanitation equipment; green innovation; energy efficiency equipment & technology; eco-friendly products; water conservation and water pollution control technology.

World Environment Conference (WEC 24) provides opportunity for networking with policy makers, researchers, academicians and industrialists across the globe. Themes of the mega event are environment protection, climate change, carbon emissions, saving energy and natural resources.

Biofuel Expo 2024 is an international trade exhibition on biofuel manufacturing process & technology, plant & machinery, raw materials & allied industries.

India Biofuel Meet 2024 is an international conference focused on equipment, technology, and solutions with an opportunity to interact with potential buyers from across the globe.

RoofTop Solar Expo 2024 is a platform for solar panel manufacturers, importers, traders and allied industry professionals to showcase latest technology, installation systems and equipment.

World Environment Expo 2024 has been designed to engage experts from renowned companies, leading institutions, corporate executives, entrepreneurs, green innovators, investors, government agencies etc. to come together under one roof.

India Biodegradable Expo 2023 at Pragati Maidan

New Delhi, 6th June: India stands 4th globally in Renewable Energy Installed Capacity (including Large Hydro), 4th in Wind Power capacity & 4th in Solar Power capacity (as per REN21 Renewables 2022 Global Status Report). The country has set an enhanced target at the COP26 of 500 GW of non-fossil fuel-based energy by 2030. To contribute on the same path, launch of first edition of India biofuel expo 2023 at Pragati Maidan, New Delhi. The exhibition is organised by green society of India and Indian Exhibition Services. The exhibition is supported by associations like ASSOCHAM, GEM, Delhi metro rail corporation, AIDA, biofuel Association of India, Indian biogas Association, CMAI etc. It's an international trade exhibition on biofuel (biodiesel, ethanol, biogas, hydrogen) manufacturing process & technology, plant machinery, bio fuel sustainable products, equipment, raw material and allied Industries. The exhibition

has numerous exhibitors from all across India & abroad. The profile of exhibitors is from related sectors of biofuel manufacturers, bio refinery units, research & development organizations, government Institutions, EPC solution companies etc. Some of the Major brands participating in the exhibition are universal forces, Can Group of Industries, MCL, Moj engineering systems Ltd, JEC, Avant-Grade, Shirke, Advance biofuel, Mahija biofuel industries, re green excel etc. According to Mr. Swadesh Kumar, President, Green society of India, "The expo will provide the latest key trends in the biofuel industry. This exhibition has provided

opportunities for networking and business growth for the participants from biofuel market. This is our first edition of Biofuel expo here in Delhi and we are getting enormous response from Delhi NCR potential market. The subject of the exhibition is sustainable and have potential to address issues of climate change and energy security. Global demand for biofuels is set to grow by 41 billion litres or 28% over 2021-2026. The recovery to pre-covid-19 demand levels accounts for one-fifth of this demand growth. According to Mr. Balram, Manager, Indian Exhibition services, "India is being a developing economy is using a huge amount of energy for sustaining its growth, most of which comes from fossil fuels at present. Biofuels are not only renewable but environment friendly as well. Such exhibitions will provide a structured platform to stakeholders, policymakers, researchers, NGOs, academicians, industrialists and government agencies.

विश्व पर्यावरण, बायोफ्यूल व बायोडीग्रेडेबल एक्सपो आयोजित

तीन दिवसीय एक्सपो में सस्टेनेबिलिटी के विकास पर दिया जा रहा जोर

ग्रेटर नोएडा, 5 जून (देशबन्धु)। इंडियन एक्जिबिशन सर्विसेज और ग्रीन सोसाइटी ऑफ इंडिया ने स्थायी विकास पर सबसे बड़े कार्यक्रम विश्व पर्यावरण एक्सपो एक्सपो 2024 का आयोजन किया, इसके साथ ही इंडिया एक्सपो मार्ट एण्ड सेंटर में बायोफ्यूल एक्सपो और बायोडीग्रेडेबल एक्सपो का भी आयोजन किया गया। वर्ल्ड एनवायरनमेंट एक्सपो- प्रदूषण नियंत्रण उपकरणों एवं तकनीकों, नवीकरणीय उर्जा, सोलर पैनल्स एवं सोलर उत्पादों, सफाई एवं सेनिटेशन उपकरणों, हरित इनोवेशन, उर्जा दक्षता उपकरणों एवं तकनीकों आदि पर 5वाँ इंटरनेशनल प्रदर्शनी है। बायोफ्यूल एक्सपो 2024 बायोफ्यूल (बायोडीजल, एथेनॉल, मेथेनॉल, बायोगैस- बायो एलएनजी, बायो सीएनजी, बायोमास, गैस इंधन जैसे हाइड्रोजन और सिंथेटिक गैस) पर आधारित एक इंटरनेशनल कारोबार प्रदर्शनी है जो इस क्षेत्र के उत्पादकों, निर्माताओं को एक ही मंच पर लेकर आती है।

तीन दिवसीय प्रदर्शनी भारत में बायोफ्यूल उद्योग के विकास को बढ़ावा देगी, साथ ही बायोफ्यूल एवं बायोमास उद्योग के प्रतिभागियों को नेटवर्किंग एवं

कारोबार के अवसर प्रदान करेगी। बायोडीग्रेडेबल एक्सपो भी बायोडीग्रेडेबल, कम्पोस्टेबल और सस्टेनेबल प्रोडक्ट्स, मशीनरी, कच्चे माल एवं संबंधित उद्योगों पर आधारित तीन दिवसीय प्रदर्शनी है जहां इन उद्योगों के हितधारक एक ही मंच पर इकट्ठा होंगे तथा

नेशनल-इंटरनेशनल स्तर पर कारोबार के अवसरों पर चर्चा करेंगे। स्वदेश कुमार, डायरेक्टर, इंडियन एक्जिबिशन सर्विसेज ने बताया कि स्थायित्व के तीन पी सर्वविधित हैं। पी का अर्थ है पोपल, प्लेनेट और प्रोफिट (लोग, धरती और मुनाफा)। प्रदर्शनी का उद्देश्य कारोबारों को विकास के लिए अन्तरराष्ट्रीय गुणवत्ता का मंच प्रदान करना है जहां हमारे प्रदर्शकों को अपना कारोबार बढ़ाने, तकनीकों के विनिमय, नए प्रोडक्ट्स डिस्कोवर करने और साझेदारों के साथ जुड़ने का मौका मिल रहा है।
